

# Junior Front End / Full Stack web developer

Junior (1-2 years experience)

**Available Now** | Vilnius, Lithuania

## Sector Background

IT Company

## Preferences

### Location

Lithuania only

### Current status

Available Now (Updated: 2 hours ago)

## Personal Statement

Since high school i have been freelancing - designing and coding simple webpages mostly with WordPress cms. I've gained various experience from working with clients to solving problems out on my own. Now i am looking for more challenges, teamwork and possibilities to deepen my knowledge.
