Working (Hit me with offer) (Updated: 1 day ago)

Personal Statement

7 years career in IT Technical Customer support and Help desk, last 2+ years also part time Systems Administrator with Active Directory, Group Policy, JIRA management and configuration, Microsoft Office suite, Hyper-V and Microsoft Exchange knowledge, Windows 7/10 support and management. Projects management in JIRA experience. I'm also interested in hardware part of IT and servers management. Looking for System administrator career opportunities, also interested to improve myself in Systems security.
