Description:

Danske Bank Group IT Lithuania (DGITL) is a part of an organization, which delivers world-class digital financial solutions to customers. DGITL is newly established IT site operating from the end of 2014 but it is already the fastest growing IT organization in Lithuanian market. DGITL has an understanding that the current change is Technology-driven, and we prioritize IT as a key component for success in their journey to drive digital disruption in the bank.

DGITL teams work with complex tech challenges and develop Danske Bank's global competitive edge on innovative digital solutions. Teams are driven by job content, share ownership of strategic services, own service strategy and lead improvement. One more important feature – senior leadership is present on site.

Project description:

- Not a new project but troubleshooting existing setup
- Help to troubleshoot existing WKFS OnesumX setup in order to fix current issues and make lasting changes in our solution
- Techstack: MS SQL 2016, OnesumX (previously known as REGPRO), Mainframe, Oracle, SAS
- Project team: Engineers and Business Analysts in Vilnius

Duration: 6 Month, with extension possibility

Employment utilization: Full-time

Role Responsibilities:

- Work with existing team, guide troubleshooting based on experience
- Make suggestions how to streamline solution workflow
- Make suggestions how to streamline operations
- Hands on fix issues with data to ensure that reports are generated without bugs

Requirements:

- At least 5 years Senior data steward or Regulatory reporting analyst experience in a Bank - MANDATORY
- Hands on experience working with OnesumX, maintaining it (testing after major releases, patching) - MANDATORY
- Expert in SQL (Microsoft or Oracle)

Company offers:

- An inspiring environment in a large IT organization
- A perfect opportunity to join a growing IT team and face the challenge and the opportunity to influence and shape the team in Vilnius
- Work in an international team, which concentrates on innovative business facing solutions
- An extensive training program to ensure that your skills are maintained and updated on an ongoing basis
- Highly skilled team and career opportunities
- Cross business career opportunities in bank
